Fran Burns will take a shot at pulling together the two paragraphs from what he has. We are thinking a source control report and a water supply report. He will forward this to team members for comment back to Laura Casillas who will tweak, if necessary, and then forward to me. My guess is that we may be able to get you something by 4pm +/- today.

Subject: Report for HQ on Freedom Industries Spill

Jon and Kathy,

Shawn would like to send a brief summary to HQ every day at 4pm on the response to the Freedom Industries spill.

Can HSCD and WPD coordinate to prepare a draft summary (no more than two paragraphs) and submit it to me, Jacky Lewis and Dan Ryan by 3:30pm?

Please let me know if you have any questions. Obviously, we are getting a late start today, so let me know when you think you could get today's summary.

Thanks.

Mike
